

Task	Summary	Description	Reporter	Issue Type	Status	Progress
Standardise Dataset						
1	Standardize dataset for suburbs	Standardize dataset for suburbs. Here is the dataset https://drive.google.com/file/d/1YcT7-2N2yh1YCSnHJduYhAP6kFSA9ult/view?usp=sharing		Task	Open	
2	Given raw dataset, standardize datasets for public transport in Australia	Given raw dataset, standardize datasets for public transport in Australia. Here is the dataset https://drive.google.com/open?id=1FDhLXYuxFDJbqOewJLhmYp4iMESkqPtr		Task	Open	
3	Given raw dataset, standardize datasets for local school	Given raw dataset, standardize datasets for local school. Here is the dataset https://drive.google.com/open?id=1fs2hJlkbjvi-E7y7OKwrsuhUOVk3URqW		Task	Open	
4	Given raw dataset, standardize dataset for Rental Median per Suburb, City	Given raw dataset, standardize dataset for Rental Median per Suburb, City. Here is the dataset https://drive.google.com/open?id=1q6BdTcV1bn4bygtDZPj1kBMNiU_p1_Y		Task	Open	
5	Given raw dataset, , standardize the dataset for Median Property Value per Suburb	Given raw dataset, , standardize the dataset for Median Property Value per Suburb - if the median values for both House and Unit for a suburb are provided, then just take the House value and ignore the Unit's; If the overall / total median value is provided for a suburb then take this value and ignore the median values for individual property types (e.g. strata/ non-strata) https://drive.google.com/open?id=1wvGbM2KEgGM6GIWp9JuoESPINQOunw-b		Task	Open	
6	Given raw dataset, standardize the dataset for crime rate of each suburb and city in OZ	Given raw dataset, standardize the dataset for crime rate of each suburb and city in OZ https://drive.google.com/open?id=1z0uXRydzjv3arY0MWU8bMAopOs5tPGrJ		Task	Open	
Note: The Standard Sprint is devied into five parts. To coutinue working on the later tasks, please submit your solutions of this part on internship portal first.
